## OUR BELIEFS

STRATA MINING SERVICES HAS BEEN ESTABLISHED TO FILL A NICHE POSITION IN THE MINING SERVICES INDUSTRY WITHIN SOUTH AFRICA.

To achieve this, we have adopted the simple virtues of humility, urgency and hunger to get things done, and the balance of respecting, working with and understanding people.

We also commit to fair and honest business ethics, upholding the principles of King IV and the mandatory corporate governance requirements. An uncompromising attitude toward safety and environmental management completes our holistic approach to conducting business professionally and efficiently with great emphasis on ensuring our customers are well satisfied with what we offer.
